

PROMISE TA Center Newsletter October 2017

October 2017 | Vol. 41

About Newsletter.....	2
Current Issue .....	3

Dear Promise Grantees:

Below you will find the latest newsletter from the AUCD Promise TA Center. This newsletter highlights some resources that address how families can support the transition of youth with disabilities into successful employment opportunities. The resources in this newsletter and many more can be found at the [AUCD PROMISE TA Center](#). Please feel free to send us feedback or requests for specific information and assistance. And, of course, from all of us at the Promise TA Center, have a wonderful day.

## **Raising a Teacher's Awareness About LD and ADHD - Parents as Educators**

Educating teachers about various disabilities and their impact on a child's learning can be a challenging task for most parents, requiring much time, energy, persistence, and patience. So how can parents educate teachers in a way that will promote a collaborative working relationship?

#### **Building Capacity for Family, School, and Community Engagement**

Research over the past 30 years has shown that engaging families in their children's education increases student achievement and decreases dropout rates. This webinar series is an opportunity to learn about family, school, and community, engagement research, best practices from the field, and new innovations that are making a difference in school improvement and learning.

#### **Getting Started: Exploring Assistive Technology (AT) With Your Teen or Young Adult**

Assistive technology (AT) helps teens and young adults work and study in a more personalized way. The process of discovering and experimenting with AT is often referred to as trying assistive technology. This guide will help you work with your teen and supporting professional to discover which technologies work best.
