

# Maine State Motto

Dirigo means, “I Lead”

# Maine Recommendations for National Actions

1. Work with other federal agencies on accessibility/accommodation to include all types of needs at all levels of the administration during policy discussions (explore all options) eg. Cognitively accessible, online)
2. TA support SA efforts at the state level eg to follow up to this summit.
3. Model inclusion of all disability groups.

# Maine National Policy Recommendations

1. Department of Education should be responsible for special education advocacy related to IDEA (ADD is currently funding).
2. Promote full inclusion in legislation
3. Require transition planning to include Human Services, Corrections, Labor etc.
