

Self-Advocacy

Mississippi Recommendations for National Policy

1. Include more stories in reports instead of just numbers (more qualitative data).
2. Include more youth on DD Councils (under 28)
3. Define guidance and technical assistance to DD Network partners on promoting SA.
4. Provide technical assistance to ensure projects are self advocacy driven.

Mississippi Recommendations for National Policy

5. Prioritize Self Advocacy within DD Network;
6. Encourage more collaborations among disability groups.
