

NEVADA

“The Sagebrush State”

Nevada ADD Action Recommendations

- Conduct more webinars for the states on self-advocacy; what's going on in Washington and the other states (e.g., SELN)
- Develop strategies for state-to-state technical assistance
- Monthly video message from the Commissioner on ADD website to self-advocates, including updates
- Supporting people in their own life choices

Nevada ADD Policy Recommendations

- Expand the role of network partners in supporting statewide self-advocacy
- Work with the US Department of Education to make it easier to introduce self-advocacy to youth
- Educate federal policymakers by conducting more presentations about policies related to disabilities
