

Commonwealth of PENNSYLVANIA

Pennsylvania Recommendations for National Actions

1. Fund self advocacy to collaborate/coordinate/communicate between all self advocacy groups
2. Fund report on transition (similar to Keeping the Promise)
3. Continue to support and strengthen SA orgs that already exist
4. Develop a formalized way in which to share all the info that comes out of state offices

Pennsylvania National Policy Recommendations

1. Require UCEDDS and P&As to include a SA component
2. Emphasize SA in the DD Act so the it doesn't get lost or forgotten (assure that people with most sig disabilities/most significant disabilities are included in all SA activities)
3. Amend the DD Act to emphasize the primary role of PWDs in directing their own lives and being empowered
