

ENVISIONING THE FUTURE

ALLIES IN SELF-ADVOCACY

RHODE ISLAND

Rhode Island Recommendations for National Actions

1. Self-advocacy needs to grow – influence the resources that grow the self-advocacy movement
2. Support and require that everything is easy, accessible, and understandable for everyone
3. ADD get our recommendations to Secretary Sebelius, the President, the White House, Disability Office, DD Network, Congress, Department of Education, Centers for Medicare and Medicaid Services (CMS), Social Security, private national associations

Rhode Island National Policy Recommendations

1. ADD should look at regulations and revise them to fit self-advocacy in. ADD can interpret the DD Act and clarify and update to promote the self-advocacy movement
