# Wisconsin Recommendations for National Actions

1. Encourage state government to involve SAs in public policy making
2. Help connect SA individuals and organizations using technology (Facebook, etc ), including making ADD website more user friendly
3. Increase awareness of ADD (state/fed levels) as an influential agency

# Wisconsin National Policy Recommendations

1. Give SA a 'line' in DD Act at same level as other Network Partners
2. Require DD Act Partners to work on joint SA goal(s) and commit to goals through their planning processes/reports (and include extension universities)
3. UCEDDs, P&As, DDCs requirement to have staff dedicated to SA
