\* Participants will be assigned to groups of three based on a variety of factors, such as: length of time in Director role, program strengths and needs identified in the Needs Assessment, geographic location, program size and structure, etc.

\*\* Representatives from the same program should attend their chosen group as a team.

\*\*\* This will be an optional gathering for those Directors interested in expanding training, service, research, etc. capacity around transition at the program level, with the goal of determining what TA and resources the broader network needs to support that process.

\*\*\*\* The Autism CARES Act of 2014 will sunset on September 30, 2019. Talk with Rylin Rodgers, AUCD Policy Director, about the reauthorization process and your role in educating your congressional delegation about the impact of LEND in your states.

Goal: To promote program-level growth and network-level capacity building through facilitated networking opportunities, sharing ideas/strategies/approaches, and supported action planning.
