Dear Ranking Member Scott,

On behalf of the Association of University Centers on Disabilities (AUCD), I write in support of final House passage of the Every Student Succeeds Act (S. 1177) and to thank you for your tremendous leadership in helping to strengthen the bill and guide it through the legislative process.

While, we understand the bill is a compromise, we are pleased to see that the final conference report continues to include students with disabilities in state accountability systems and ensures students with disabilities will continue to have access to the general curriculum.

We stand ready to help you as you work to finalize the reauthorization while ensuring the equitable education of all students, including those with disabilities.

Sincerely,

Andrew Imparato
Executive Director, AUCD
