

Person-Centered Employment Planning Training

How will you support your loved one to live a life as they define it?

2020: November 13-14, December 4-5 (17-22 yrs old)

2021: April 23-24, May 14-15 (14-16 yrs old)

Purpose of Training:

The Person-Centered Employment Planning Training (PCEP) is an online training which will support customers to gain the necessary skills and experiences in work readiness to successfully transition into postsecondary education and/or competitive integrated employment.

Certified Person-Centered Planning (PCP) and People Planning Together (PPT) trainers, will design and provide activities for students to identify future career goals, social skills and independent living skills necessary for that career, and the steps necessary to reach their career goals. Students will also practice self-advocacy skills with the support of project staff and trainers throughout the development and dissemination of their plan. Developing a person-centered plan will lead to the pursuit of a career, not just a job.

Four Sessions of Intensive Training (youth- morning and parents/guardians- afternoon)

Day 1-3: Students and family members will learn person-centered skills in separate sessions.

Day 4: Students and family members will join come together to share what they've learned.

Will the student's plans match up with their parent's plans?

The training will be presented by both parents and persons who have disabilities that are certified with the Learning Community on Person Centered Practices.
