

Getting the COVID-19 Vaccine

Pt. 2

I may need to wait to make sure I am safe and healthy to go home.

After the nurse tells me it's OK, I am done for today. Now I can go home.

I need 2 COVID-19 vaccine shots to stay healthy.

I will come back in 3-4 weeks to get the second shot.

When I come back, I will go through the same steps to get my second shot.

After the shots, my arm may be sore. I may have a headache or feel tired.

I will feel fine after a couple of days.

I will still need to wear a mask for awhile.

I did my part to stay safe and keep others healthy!
