

ASSOCIATION OF UNIVERSITY CENTERS ON DISABILITIES

THE LEADERSHIP, EDUCATION, ADVOCACY & RESEARCH NETWORK

Vaccine Activities Across the Network

Reporting years 2015-2019

State	Center	Year	Activity	Contact Information
Alabama	University of Alabama at Birmingham, Civitan International Research Center, UCEDD, LEND	2015	Poster - Autism and MMR Vaccinations: The Journey - <u>Bellido Jara and Hamilton</u>	fbiasini@uab.edu
Alabama	University of Alabama at Birmingham, Civitan International Research Center, UCEDD, LEND	2015	Poster - The Barriers of the Human Papilloma Virus Vaccinations - Henry and Collins	fbiasini@uab.edu
California	University of Southern California, Children's Hospital, UCEDD/LEND	2016	This Science Brief is a summary of the study "Time Trends in Autism and in MMR Immunization Coverage in California" published by L. Dales, S.J. Hammer, & N.J. Smith, in the Journal of the American Medical Association, March 2001. The target audience is parents of children with autism and is written at an 8th grade reading level.	Barbara Wheeler bwheeler@chla.usc.edu 323-361-3829
Florida	University of Miami, Mailman Center for Child Development, UCEDD/LEND	2018	Keeping Kids Fit Series : Protect your child with vaccines. The Miami Herald - August 4 2015.	lgwynn@miami.edu
Georgia	Georgia State University, Center for Leadership in Disability, UCEDD/LEND	2018	Peer - Squaring state child vaccine policy with individual rights under the individuals with disabilities education act: Questions raised in California	mcrenshaw@gsu.edu
Indiana	Indiana University, Riley	2019	Efforts directed at public health and government policies, health	lsturm@iu.edu

	Child Development Center, LEND		education & health promotion programs, clinical and patient-provider approaches, and work aimed to respond to and combat anti-HPV vaccination movements in society. We organize and summarize each of these areas, this paper also highlights the need for future HPV vaccine promotion work to adopt a multi-level and, when possible, integrated approach in order to maximize impact on vaccination rates.	
Indiana	Indiana University, Riley Child Development Center, LEND	2015	Ahead of the Curve: What Predicts HPV Vaccine Initiation among Nine- and Ten-Year-Olds in the United States? Society of Adolescent Health and Medicine	lsturm@iu.edu
Indiana	Indiana University, Riley Child Development Center, LEND	2016	<u>Human Papillomavirus Vaccine Initiation among 9-13-Year-Olds in the United States</u>	lsturm@iu.edu
Indiana	Indiana University, Riley Child Development Center, LEND	2015	The objective was to determine whether emphasizing the benefits of measles-mumps-rubella (MMR) vaccination directly to the vaccine recipient or to society differentially impacts parents' vaccine intentions for their infants.	http://www.ncbi.nlm.nih.gov.proxy.medlib.iupui.edu/pubmed/25136038
Maryland	Kennedy Krieger Institute, UCEDD/LEND	2016	Evaluation of Alternative Administration Routes of a Therostable Measles & Rubella Vaccine in Non-Human Primates Dr. James A. Ferguson 2015 Scientific Presentations	Ferguson Fellowship
Minnesota	University of Minnesota, Institute on Community Integration, UCEDD/LEND	2017	<u>ACS In measles outbreak, a misconception about vaccines still plagues Somali community</u>	http://www.startribune.com/in-measles-outbreak-a-misconception-about-vaccines-still-plagues-somali-community/420131133/
Minnesota	University of Minnesota, Institute on Community Integration, UCEDD/LEND	2017	<u>ACS RTCCL Understanding The History Behind Communities' Vaccine Fears</u>	http://www.npr.org/sections/health-shots/2017/05/03/526595475/understanding-the-history-behind-communities-vaccine-fears
Minnesota	University of Minnesota, Institute on Community Integration, UCEDD/LEND	2017	Public health workers push back against anti-vaccine claims at Somali community meeting	http://www.mprnews.org/story/2017/05/01/public-health-workers-push-back-against-anti-vaccine-claims-somali-community-meeting

Minnesota	University of Minnesota, Institute on Community Integration, UCEDD/LEND	2017	ACS RTCC Anti-vaxxers "targeted" Minnesota's Somali community. Now they have a measles outbreak. Anab Gulaid is quoted on the news site Mic in an article that calls attention to a measles outbreak in the Twin Cities Somali community.	https://mic.com/articles/174489/anti-vaxxers-targeted-minnesota-s-somali-community-now-they-have-a-measles-outbreak#.ATmSwliS
Minnesota	University of Minnesota, Institute on Community Integration, UCEDD/LEND	2018	ACS Vaccines and Autism: Myths and Facts. Town Hall Forum: a televised and streamed town hall forum to discuss vaccines, autism, and the role of research.	gula0021@umn.edu
Minnesota	University of Minnesota, Institute on Community Integration, UCEDD/LEND	2018	LEND Town hall titled: Vaccines and Autism: Myths and Facts.	gula0021@umn.edu
Pennsylvania	Children's Seashore House/Children's Hospital of Philadelphia, LEND	2015	Changing the vaccine conversation: Autism Spectrum Disorder Risk Factors and Genetics and Shared Decision Making	levys@email.chop.edu
Texas	Texas A&M University, Center on Disability and Development, UCEDD	2018	3.11 (Wilson)-Do Political and Religious Affiliations Impact HPV Vaccine Mandate Support?	kwilson@tamu.edu
