

## 2020 MCH Workforce Development Virtual Grantee Meeting Agenda

### 2:00pm MCHB Welcome and Overview of Schedule

*Lauren Ramos* | Director, Division of MCH Workforce Development, MCHB, HRSA

### 2:05pm Identifying and Addressing Clinician Burnout

*Torey Mack, MD* | Deputy Associate Administrator, Bureau of Health Workforce, HRSA

As a passionate physician and senior public health leader, Dr. Torey Mack will discuss provider burnout in a clinical setting, including risk factors and preventative measures. Dr. Mack will also offer guidance, tools, and encouragement to grantees around building resilience.

### 2:40pm Grantee Highlights

*Sheila Marcus, MD* | Director, MC3

*Catrina Waters, MS, MDiv* | Assistant Project Director, Alabama State University MCH Pipeline

*Whitney Terrill* | Trainee, University of Minnesota Leadership Education in Neurodevelopmental and Related Disabilities (LEND)

Grantees from the [Michigan Pediatric Mental Health Care Access Program](#), [Alabama State University MCH Pipeline Program](#), and [Minnesota LEND](#) will present work from their programs highlighting areas of self-reflection and resiliency.

### 3:10pm Facilitating a More Resilient and Adaptive Workforce during Times of Crisis

*Rebecca Greenleaf, MPH* | Training Coordinator, National MCH Workforce Development Center

*Christina Welter, DrPH, MPH* | Change Management/Adaptive Leadership Core, National MCH Workforce Development Center

The [National MCH Workforce Development Center](#) will share practical tips for facilitating a more resilient and adaptive workforce. The session will: 1) define the role of leadership in times of crisis; 2) define adaptive leadership and its role in expanding resiliency to address ongoing crisis situations; and 3) share two tools to promote resiliency in your organization.

### 3:40pm A Conversation with Trainee Ambassadors on Resiliency for MCH Professionals

*Emma Fox, MPH* | Program Specialist, AUCD

*Alicia Reynolds, MPH* | Center of Excellence in MCH (CoE in MCH), TAG Member

*Tina Herrera, MD* | Leadership Education in Adolescent Health (LEAH)

Emma Fox, Program Specialist at AUCD and former LEND and CoE in MCH trainee, will facilitate an interactive conversation on resiliency with a panel of current MCHB trainees and [Trainee Ambassador Group \(TAG\) members](#).

### 4:00pm Closing
