The Danger of a Single Story

“Many stories matter. Stories have been used to dispossess and to malign. But stories can also be used to empower, and to humanize. Stories can break the dignity of a people. But stories can also repair that broken dignity.”
- Chimamanda Ngozi Adichie, author
STORIES & CULTURE

See link to webinar “CEDC Webinar: The Art of Storytelling” by Paula Rabidoux

Stories are narratives we retell from a young age, according to the cultural rules we are taught.
WHY DO YOU SHARE YOUR STORY?

• Think about the stories you’ve been told.
• What stories have stuck with you?
• Unmute, or share in the chat.
WHY COLLECT STORIES?

- More than just data
- Policy makers
- Training and education
- Evaluation
