Trainee Professional Networking Breakfast Questions

Below are some suggestions of questions to help start or continue the conversations at your tables. These are not required questions so feel to use them as a guide.

For Trainees to ask Professionals:

1. What are a few things that drew you to your current field?
2. How did you find your first job in your field?
3. What is something you wish you had known when you first started in this field?
4. Who was your mentor? How did they help you? What advice did they give you?
5. Can you talk about a project that you're working on that relates to health equity?

For Professionals to ask Trainees:

1. What makes you excited about your training right now?
2. What or who inspired you to apply to your program?
3. What things scare you about the job search or choosing a career path?
4. What do you hope to learn through your program? What do you hope to learn at the Conference?
5. What do you think are the biggest health equity issues right now?
