**8:00am – 8:30am                      Introductions and Icebreaker**

What brought you to LEND? + What do you think you bring to LEND? + [“fun” question]

**8:30am – 9:35am                      Building a Program\***

- Trainee and faculty recruitment – *Bruce Shapiro*
- Curriculum development (balancing didactic, clinical, research, and policy experiences) – *Anne Harris*
- Diversity, inclusion, and cultural competence – *Steve Sulkes*
- Technical assistance and continuing education – *Tyler Reimschisel*
- Strategic partnerships (Title V, DD network, etc.) – *Sandy Heimerl*
- Sustainability, evaluation, and quality improvement – *Ted Kastner*

\* Peer mentors each provide a brief (2-3 minutes) overview of the most critical things they think about regarding their specific component, followed by two rotations of self-selected breakout discussions on each of the topics listed above (to be facilitated by a peer mentor with AUCD staff taking notes).

**9:35am – 9:55am                      Break**

**9:55am – 10:30am                      Systems of Support**

- MCHB project officers, HRSA Grants Management
- AUCD technical assistance – approaches and examples
- Data management and reporting

**10:30am – 10:45am                      Leveraging the Network I**

- Andy shares how LEND fits within the broader AUCD network and his vision for collective impact

**10:45am – 11:50am                      Leveraging the Network II\*\* + Full Group Q&A**

- Councils, SIGs, work groups, and initiatives – *Sandy Heimerl*
- Peer-to-peer connections (NIRS public search, directory, listservs) – *Anne Harris*
- Trainee leadership and engagement – *Tyler Reimschisel*
- AUCD websites, meetings, webinars, resource documents, etc. – *Bruce Shapiro*

\*\* Volunteer peer mentors provide a brief (5 minutes) example of how they’ve leveraged each of these resources or opportunities; AUCD staff can reference the materials that were sent in advance.

**11:50am – 12:00pm                      Conclusion**

- How has this session either confirmed or shifted what your priorities will be as you: (a) think about how to get the most out of the next two days and (b) prepare for the next training year?
