

MISSION:

To create leaders in the field of Autism Spectrum Disorder and other Neurodevelopmental Disabilities (ASD/ND) through a 10 month interdisciplinary training program focusing on leadership development, cultural competence and evidence-based practice.

ELIGIBLE CANDIDATES:

- ✓ Currently enrolled graduate students at an accredited institution of higher education at the Master's or Doctorate level
- ✓ Professionals employed part or full time whose focus of profession is within one of the Core Disciplines (see box)
- ✓ Parents and siblings of individuals with developmental disabilities
- ✓ **Adults with a diagnosed developmental disability**

CURRICULUM:

- **Didactic Seminars:** Presented by experts within the 14 Core and Additional Disciplines
- **Clinical Practica:** Observation and participation in all aspects of care for children with ASD/ND at sites in the greater Houston area
- **Research:** Individual research project supervised by LEND faculty, resulting in poster presentation at annual LEND conference and potential manuscript preparation
- **Additional:** Leadership development workshops and team project, conference attendance, interdisciplinary interactions, and a family mentorship experience

LEND Core Disciplines:

- 1) Audiology
- 2) Family
- 3) Genetic Counseling
- 4) Health Care Administration
- 5) Medicine (Genetics, Child Neurology & Psychiatry, Developmental Pediatrics, Medical Home)
- 6) Nursing
- 7) Nutrition
- 8) Occupational Therapy
- 9) Pediatric Dentistry
- 10) Physical Therapy
- 11) Psychology: Assessment and Intervention
- 12) Social Work and Bioethics
- 13) Speech-Language Pathology
- 14) Special Education

Additional Disciplines:

Advocacy, Cultural Diversity & Competence, Disability Law, Leadership, Public Health, Texas State Service Agencies, Transition to Adulthood

POST-GRADUATE FELLOWSHIPS:

Full-time Post-Graduate Fellowships are available for MD's and certain post-PhD disciplines. Stipends are commensurate with PGY level. Please contact us prior to applying for a Post-Graduate Fellowship.

TIME:

A one-year program, from August 2016 through May 2017, leading to a certificate upon successful completion. LEND Fellows commit to an average of 20 hours per week.

STIPEND:

Varies
