

**UCEDD Directors Meeting
Roundtable Discussions
December 4, 2016**

Topic: Creating lay-person/plain language materials to communicate and disseminate UCEDD findings/activities

Facilitator: Tamar Heller

Discussion notes:

- 1) Use of accessible briefs of research results that include audio (as at IL UCEDD)
- 2) Use of media tools—that allow people to connect virtually
- 3) Giving feedback to research participants with disabilities/ families
- 4) Use of videos—as in National Gateway to Self-Determination
- 5) Engaging people with disabilities and listening to what they have to say
- 6) Having an access committee
- 7) Using the CAC to help improve accessibility
