

BAYLOR COLLEGE OF MEDICINE
13th CHRONIC ILLNESS AND DISABILITY: TRANSITION FROM PEDIATRIC TO
ADULT BASED CARE CONFERENCE
OCTOBER 18-19, 2012

Technical Specifications for Receiving Broadcast of Transition Conference:

- 1) Viewers of the webcast will be required to use a standard browser to view the program and have a DSL or faster internet connection. MAC or PC.
- 2) The latest version of Windows Media Player or Real One player will need to be installed on the user's computer.
- 3) Users who elect to view the program using Windows Media Player will NOT be able to use the FireFox browser.
- 4) The program will feature audio, video, and slides – so testing to make sure computer speakers are operable is important.

Please use the following site for testing purposes:

<http://effectivehealthcare.ahrq.gov/webcast/092710>

If you can see the video and slides and hear the audio, you will be able to view the transition conference broadcast.

Additional Criteria for Participation as Broadcast Site:

- 1) Must be an MCHB-funded Program
- 2) Commitment of Center/Program to receive broadcast of both days of the conference and appoint a proctor who will be responsible for on-site technical issues and recording attendance
- 3) Commitment of a minimum of 5 individuals from Center/Program to participate each day (can be different individuals each day)
- 4) Registration fee of \$150 per broadcast site (each site will be provided with 1 hard copy of the syllabus and password for online access to syllabus)

The broadcast of this conference is supported by the Association of University Centers on Disabilities (AUCD) through a cooperative agreement with the Maternal and Child Health Bureau (MCHB) in the Health Resources and Services Administration.
