

Training priority: _____

Notetaker: _____

Guidance for facilitators: We are collecting notes from these breakout discussions to (a) capture network needs in lieu of a formal assessment, (b) get ideas for how to most effectively deliver technical assistance, and (c) populate a forthcoming online repository of LEND/DBP program administration resources.

What are the consensus needs in this area?

How can AUCD and MCHB support program improvement?

How can the network model "Leading Change Together," i.e. authentic partnership with people with disabilities, in this area?

Are there existing resources and/or effective training strategies in this area that can be shared widely? Please include contact information.
