

Pre-EHDI LEND workshop
March 18, 2018

Agenda

2:00pm - 2:10pm Introduction

2:10pm - 3:00pm Icebreaker and Small Group Discussion

Participants will be randomly assigned to tables with trainees and faculty from other programs. In these small groups, each participant will give a brief introduction and share their interaction and responses (homework assignment).

Assignment: Describe an awkward or challenging interaction you had with a family in which cultural differences might have been a factor. Respond to the following questions:

- What specifically made it awkward or challenging?
- Did you have a sense for what the family might have been experiencing?
- Was there information in either or both articles that prompted you to think more critically about this interaction?

** AUCD will make an announcement around 2:50pm to ask notetakers to start documenting Trainees' main takeaways. AUCD will collect and disseminate the strategies with the attendees after the EHDI Meeting.*

3:00pm - 3:05pm Break

3:05pm - 4:15pm Moderated Family Panel

An intentionally diverse panel of family leaders will briefly introduce themselves, respond to a set of pre-determined questions from the moderator, and take additional questions from trainees.

4:15pm-4:50pm Activity

Trainees will reflect on how diversity, cultural and linguistic competence can affect other components of the EHDI system. There will be a facilitated notetaker who will transcribe their discussions/ideas, and AUCD will collect and disseminate the strategies with the grantees after the EHDI Meeting.

EHDI Components:

- Screening
- Diagnosis
- Medical Management
- Hearing Technology
- Early Intervention

4:50pm - 5:00pm Conclusion
