

Interdisciplinary Trainee Handbook

Quiz Questions and Answers

Association of University Centers on Disabilities

National Training Directors Council

2009

Stephan Viehweg, MSW; Riley Child Development Center; Indianapolis, IN

Judith Holt, PhD; Utah Regional LEND; Salt Lake City, UT

Crystal Pariseau, MSSW; Association of University Centers on Disabilities; Silver Spring, MD

This guide provides suggested answers to quiz questions in the Trainee Handbook Supplement. These questions and answers are intended to assist Training Directors or other UCEDD or LEND faculty members in discussing the learning material in the Interdisciplinary Trainee Handbook with program trainees. As always we welcome feedback, ideas, and suggestions for improving this document.

Setting the Stage

A History of Developmental Disabilities

Quiz

True or False:

The Civil War, WWI, WWII, and current conflicts always interfere with progress in the disability movement.

False. Veterans returning from war often spur the disabilities movement.

Defining Developmental Disability

Quiz

Which definition is a more inclusive definition of disability for children?

Answer: CSCHCN. Children with special health care needs is a very broad category that could encompass many children.

Trainees

Quiz

True or False:

In the past 10 years, over half a million trainees graduated from LEND and UCEDD programs.

True. With approximately 4,000 trainees graduating from LENDs and UCEDDs each year, there are over 500,000 newly trained trainees every 10 years!

UCEDDs: University Centers for Excellence in Developmental Disabilities

Quiz

True or False:

UCEDDs are only located in states in the US.

False. UCEDDs are also located in Puerto Rico, Guam, the Virgin Islands etc.

UCEDD Legislation

Developmental Disabilities Act (DD Act)

Quiz

True or False

The DD Act is focused primarily on young children with developmental disabilities and their families.

False. The DD Act has a lifespan mandate.

LENDs: Leadership Education in Neurodevelopmental and Related Disabilities

Quiz

How many LENDs are there?

Answer:

Note to faculty: the number may change year to year. In 2009, the answer was 39.

LEND Funding and Federal Agencies

Health Resources and Services Administration (HRSA)

Quiz

True or False: The MCH leader is responsive to the changing political, social, scientific, and demographic context and demonstrates the capability to change quickly and adapt in the face of emerging challenges and opportunities.

Answer:

True. [NOTE: This question can be used to further discuss the opportunities for leadership in this field.]

LEND Legislation - Combating Autism Act

Quiz

True or False:

The Combating Act is focused primarily on curing autism.

Answer:

False. The Combating Autism Act focuses on several intended outcomes including: Increasing awareness; Reducing barriers to screening and diagnosis; Supporting research on evidence-based interventions for children and adolescents with Autism Spectrum Disorders or other developmental disabilities; Promoting evidence-based guideline development for interventions; and Training professionals to utilize valid screening tools to diagnose and to provide evidence based interventions.

AUCD Functions

Quiz

The first university-based centers on disabilities were authorized by which President?

- Truman
- Kennedy
- Nixon

AUCD envisions a future in which everyone, including people living with developmental and other disabilities, are _____.

- healed and healthy.
- ready to learn.
- *fully integrated, participating members of their communities.*

Related Legislative Acts and Court Decisions Affecting People with Disabilities

Individuals with Disabilities Education Improvement Act (IDEIA)

Quiz

True or False

Early Intervention programs (Part C) are the responsibility of the state education agency.

False. Part C programs are administered by a state agency-but not always by the state education agency.

Americans with Disabilities Act (ADA)

Quiz
