

LEND FAMILY Faculty EVALUATION

1. How much contact did you have with your student this year? (Please include telephone, email, home visits and other un-planned encounters, such as while your child was hospitalized.)

a) Was this: just right not enough too much Why?

2. Did your student complete the assignment?

3. How do you think these community visits shaped the students's understanding of:

a) family centered care?

b) your own child and family?

4. What did you most and least enjoy about LEND this year?

5. What could we do to improve the LEND program?
