

**WI MCH LEND Program
Family Mentor Program
Student Evaluation
2005 — 2006**

What did you learn...what was valuable in your family mentor experience?

What challenges did you encounter and what did you learn from them?

How did you incorporate the Family Mentor Program into your entire MCH training experience?

When you ran into obstacles, how did you identify them and seek assistance or support from an MCH staff member?

After you identified your needs, how did (or didn't) the staff support you? How could this have been improved?
