

Mr. Grantman

(to the tune of "Mr. Sandman")

Bum bum bum bum bum badada
Bum bum bum bum bum

Bum bum bum bum bum badada
Bum bum bum bum bum...

Mr. Grantman, pay for our team
You don't support us and we're gonna scream
Give us the dollars to pay for our trainees
They will be leaders just like Mr. Cheney!

Grantman, we're in the soup
We've had this funding since C Ev'rett Koop!
We'll catch hell from all our deans
Mr. Grantman- pay for our teams!

Bum bum bum bum bum badada
Bum bum bum bum bum

Bum bum bum bum bum badada
Bum bum bum bum bum...

Mr. Grantman, pay for our team
It's not expensive cause' we've got a scheme
Our distance learning is bigger and brighter
Our brand new web page could astound a spider!

Grantman, it's up to you!
Want to impress you, so what can we do?
Please don't topple our regimes
Mr. Grantman pay for our teams!

Bum bum bum bum bum badada
Bum bum bum bum bum

Bum bum bum bum bum badada
Bum bum bum bum bum...

Will You Still Fund me Tomorrow?

(To the tune of Will you still love me tomorrow?)

Today you fund our training
But outside its raining
Today I have a roof over my head
But will you still fund me tomorrow?

We all have read your guidance
We know the health gap widens

But now, my program's hanging by a thread
Will you still fund me tomorrow?

Today we talk of crisis
You want us to all help prepare
But pay our program's prices
Or we'll drown in our own despair

We know Performance Measures
Are your beloved treasures
So if I say the data's in the mail
Will you still fund me tomorrow?
Will you still fund me tomorrow?

Save the Last Grant for Me

(To the tune of Save the Last Dance for Me)

You can fund anyone you please
To prevent disease, we know you've got rules
We'd be stunned – if you weren't fair
To the ones with flair, we are not such fools
But don't forget who's really in tune
With MCHB Policy
Oh' Laura, save the last grant for me.

Yes we know: It's repetitively
Competitive, this renewal game.
We're all great, but this is quibbling
That just like siblings we're not the same
Now don't forget who's showing you how
Collaborative I can be:
Oh Laura, save the last grant for me.

Don't you know how much I need support?
All my faculty will go berserk!
Did you read my Summary report?
I'm too old to have to do real work!

Go review, look at all the scores
Trim the dinosaurs, fund the rising stars
Distribute all your training cash
But don't be rash, leave the door ajar
And don't forget who's singing this song
And sucking up so blatantly
Oh Laura, save the last grant for me!
