

Dear «First»,

My name is Angela Harnden and I am contacting you because you are a LEND graduate and an Oklahoma LEND Leadership Fellow. You may have just received an e-mail from Dr. Linda Wilson letting you know that I would be contacting you.

If you did not know, LEND is a federally funded program. The federal government gives the University of Oklahoma Health Sciences Center money to train students in the Oklahoma LEND program. They, however, require us to keep them updated on the LEND graduates. They want to know if the training has gone back into the community. They require us to survey our 1, 5, and 10 year post-graduates to see where they are and what they are doing (or not doing) with their LEND training. This is why I am contacting you.

You are being asked to complete the survey because you completed Oklahoma LEND in 2003, 2008, or 2012. Would you please follow the directions and fill out the survey on-line? We really need your feedback.

The survey should only take 5-10 minutes of your valuable time to complete. This is how you do it.

1. Go to <https://www.aucd.org/nirs/db/survey/lend.cfm>
2. Please select your center name (from the drop down list, please choose...):
OK-Center for Learning and Leadership, UCEDD/LEND
3. Enter your unique login: «Survey_Login»
4. After completing the survey click: **Submit**

****NOTE: Please pay particular attention to questions #2 and #5 in the survey.** These two questions ask if your current work relates to Maternal and Child Health (MCH) populations (i.e. women, infants and children, adolescents, and their families including fathers and children and youth with special health care needs) and if your current work relates to underserved or vulnerable populations (i.e. immigrant, tribal, migrant, or uninsured populations and individuals who have experienced family violence, homeless, foster care, HIV/AIDS, or health disparities, etc...). **Please answer these questions liberally. More than likely your answers will be YES to both questions, if you are working in your discipline.**

Your responses will be treated confidentially. **Please complete the survey before Thursday, February 28th ASAP!!**

If you would prefer to fill out a **paper form** of the survey instead of filling it out on-line, please contact me. Angela Harnden (405) 271-4500, ext. 41007 or toll free at 1-800-627-6827, ext. 41007.

Thank you for your time!

Sincerely,

Angela Harnden, PhD
