

«First»,

THANK YOU for filling out the survey and especially for being so prompt. This will be of tremendous help to the Oklahoma LEND program as well as being extremely informative about how the LEND training is filtering into the communities.

If you graduated in 2008 or 2012 you will hear from me again. Those of you from 2003 this is the last time we will request a survey but you will still be included in all the information we send out. In the meantime please let me know if there are any changes to your contact information, especially your e-mail address. It would be a tremendous help if you would send a quick e-mail in the event of any changes of your contact information. This way we can keep in touch with you and send you pertinent information about the Oklahoma LEND program.

Thanks again,

Angela
