

UCEDD Final 5-year Report in NIRS

August 3, 2022

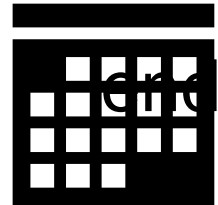

Agenda

- WHEN are UCEDD reports due?
- WHAT are UCEDDs reporting?
- WHO developed new measures?
- WHY are there new 5-year measures?
- HOW will the final report be reviewed?
- WHERE is the final report in NIRS?

WHEN are UCEDD reports due?

- Annually at 30 days following the end of the project year (due July 30)
- Every 5 years at 90 days following the end of the full core grant cycle (Due September 29)
 - If a no-cost extension is received at the end of the full core grant cycle, the final 5-year closeout report will be due 90 days from the new end date
 - Inform nirs@aucd.org if a no-cost extension is granted, so we are aware of your revised timeline
 - NIRS will be updated with a feature to differentiate activities documented in a single program year that require reporting in different 5-year cycles

WHAT are UCEDDs reporting?

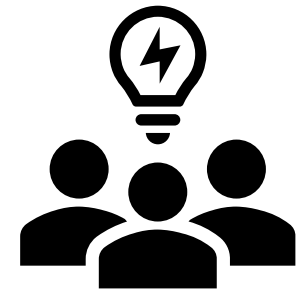

- Federal reporting guidance is in the [UCEDD PPR Template](#)
 - (annual report)
 - (final 5-year report)
- NEW final 5-year report guidance includes narrative, cumulative data, and *impact statements*
- Aligns with updated [UCEDD Logic Model](#)
 - > intermediate outcome measures

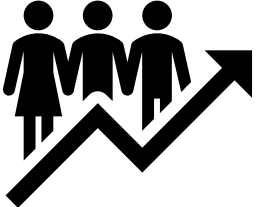

WHO developed new measures?

- New final 5-year reporting measures were developed by the Final Report Workgroup
 - Florida Center for Inclusive Communities (FL)
 - Vanderbilt Kennedy Center (TN)
 - Center on Disability and Development (TX)
- New final 5-year reporting measures were pilot tested in 2021
 - Sonoran UCEDD (AZ)
 - MIND Institute (CA)
- OIDD and AUCD staff support

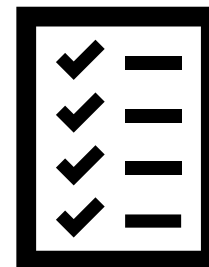

WHY are there new 5-year measures?

- New final 5-year reporting measures were developed to standardize UCEDD network reporting on Intermediate Outcome Measures in the UCEDD Logic model 
- Impact statements briefly summarize, in lay terms, the difference the project's teaching/learning, research/discovery, and extension and outreach/engagement efforts have made. **They state accomplishments and create strong support for programs.**

HOW will the final report be reviewed?

- OIDD uses the [Quality Review System](#) to evaluate UCEDDs
- The specific tool that Project Officers will use to review UCEDD Final 5-year Closeout Reports is the [UCEDD QRS Tier 2 Final Report Review Tool](#)

WHERE is the final report in NIRS?

- The [UCEDD Five-Year Final Closeout Report Guidebook](#) provides a step-by-step tutorial of the report.
