

AUCD Centers Serving the District of Columbia

University Centers for Excellence in Developmental Disabilities (UCEDDs) work with people with disabilities, members of their families, state and local government agencies, and community providers in projects that provide training, technical assistance, service, research, and information sharing, with a focus on building the capacity of communities to sustain all their citizens.

Disability in the District of Columbia by the Numbers

14,113

Students age 3-21 receive special education supports¹

38.3%

of people with disabilities are employed²

&

1

14c certificate holder paying subminimum wages³

\$ 356,225,529

Medicaid expenditures for LTSS institutional care⁴

vs

\$ 570,874,564

Medicaid expenditures for HCBS⁴

80,506

Individuals with disabilities living in communities⁵

AUCD and Your Office

The Association of University Centers on Disabilities (AUCD) supports a national network of university-based interdisciplinary programs in every U.S. state and territory. We are a trusted resource on disability policy issues and stand ready to connect you to resources, research and expertise in both policy and constituent service.
