A State may exclude from cost sharing low-income individuals whose incomes are above the Federal poverty line. A State shall not consider any assets, savings, or other property owned by older individuals when defining low-income individuals who are exempt from cost sharing, when creating a sliding scale for the cost sharing, or when seeking contributions from any older individual.

“(4) PAYMENT RATES.—If a State permits the cost sharing described in paragraph (1), such State shall establish a sliding scale, based solely on individual income and the cost of delivering services.

“(G) widely distribute State created written materials in languages reflecting the reading abilities of older individuals that describe the criteria for cost sharing, the State’s sliding scale, and the mandate described under subparagraph (E).

“(6) WAIVER.—An area agency on aging may request a waiver to the State’s cost sharing policies, and the State shall approve such a waiver if the area agency on aging can adequately demonstrate that—

“(d) EVALUATION.—Not later than 1 year after the date of the enactment of the Older Americans Act Amendments of 2000, and annually thereafter, the Assistant Secretary shall conduct a comprehensive evaluation of practices for cost sharing to determine its impact on participation rates with particular attention to low-income and minority older individuals and older individuals residing in rural areas. If the Assistant Secretary finds that there is a disparate impact upon low-income or minority older individuals or older individuals residing in rural areas in any State or region within the State regarding the provision of services, the Assistant Secretary shall take corrective action to assure that such services are provided to all older individuals without regard to the cost sharing criteria.

“(3) any State plan requirement described in section 307(a) if granting the waiver will promote innovations or improve service delivery and will not diminish services already provided under this Act;

“(4) any restriction under paragraph (5) of section 308(b), on the amount that may be transferred between programs carried out under part B and part C; and

“(N)(i) will prepare an assessment of the participants’ skills and talents and their needs for services, except to the extent such project has, for the participant involved, recently prepared an assessment of such skills and talents, and such needs, pursuant to another employment or training program (such as a program under the Workforce Investment Act of 1998 (29 U.S.C. 2801 et seq.), the Carl D.
