2012 Report to the President: Managed Long-Term Services and Supports
Poll

• Who has managed care in your state?
• Who is involved in a committee about managed care?
• Who doesn’t know?
• Why should we care?
What is Medicaid?

Medicaid is a health insurance program run by the federal government and the states.
What are Long-Term Services and Supports?
What is Managed Care?

Traditional Medicaid

Managed Care
What is Managed Care?

Most states already have some managed care in Medicaid for health services.

Comprehensive Medicaid Managed Care Models in the States, 2010

Why managed care?

What are the concerns?

<table>
<thead>
<tr>
<th>Benefits</th>
<th>Concerns</th>
</tr>
</thead>
<tbody>
<tr>
<td>Service coordination</td>
<td>Limited choice of providers</td>
</tr>
<tr>
<td>Save money</td>
<td>Need for state oversight</td>
</tr>
<tr>
<td>Reduce waiting lists</td>
<td>Lack of experience serving people with ID/DD</td>
</tr>
<tr>
<td>Care focused on staying healthy</td>
<td></td>
</tr>
</tbody>
</table>
Managed care is a tool
