

ARE YOU DEAF, HARD OF HEARING, BLIND, LOW VISION, OR HAVE A MOBILITY DISABILITY?

**Tell us your views on a new type of health research called
precision medicine research during a 2-hour focus group.**

**Learning from people with disabilities
improves how health research is done!**

- Focus groups available in English, Spanish, American Sign Language, and with CART captioning
- Participants must live in the United States
- Focus group is online through Zoom
- No prior knowledge of precision medicine research needed
- \$50 Amazon gift card for participating in the study

For more information or to sign-up contact:

- Maya Sabatello, LLB, PhD, the Principal Investigator, by email at ms4075@cumc.columbia.edu
