Announcing the 1st ever AUCD Trainee T-shirt Design Contest!

Starts: Tuesday, February 3rd  
Ends: Saturday, February 14th

The AUCD network has over 3,000 new trainee members at LENDs, UCEDDs, and IDDRCs each year. We invite you to design a T-shirt that, if chosen, all trainees will be able to purchase and wear at events such as the national Disability Policy Seminar to show their pride in being a part of a great interdisciplinary network focused on leadership in the field of disabilities! Imagine all your fellow trainees at a local or state event rocking their AUCD shirts, or the over 200 trainees wearing the shirt you designed, demonstrating their strength and unity, and showing that we are ready to take the lead in disability policy, services, and supports!

Anyone can submit a design - it’s easy! Don’t worry if you are not a graphic artist. We are using CustomInk.com for the contest, which has easy-to-use tools to help even the least artistic (but enthusiastic!) trainee submit a design for the contest.

Final designs will be disseminated to the AUCD trainee network for voting and a selection made by popular vote in time for individuals to order their own shirts at their own cost and ensure delivery before the Disability Policy Seminar for those attending. We would love to have all 200+ trainees at the DPS wearing their shirts on Monday and showing some AUCD trainee pride!

***The winner will be announced on Tuesday, February 17th. Submissions and questions regarding this contest and any of its components should be directed to Zipporahls@hotmail.com
Contest guidelines and recommendations:

- All shirts must include the AUCD logo on either the front or back, without altering its colors, size, or dimension. The logo can be downloaded at http://www.aucd.org/template/page.cfm?id=481.
- Do not include the name, logo, or other copyrighted material of your local center or university. This shirt will be worn by trainees from across the country, so the design needs to be universal.
- Get creative! Consider a phrase or drawing or (non-copyrighted or protected) image that represents UCEDDs, LENDs, and IDDRCs.
- Have fun!

How to enter:
During the contest period, current year AUCD trainees are invited to design a t-shirt that represents the entire AUCD network. Designs must be submitted to customink.com before midnight Eastern Time on the last day of the contest.

Good Luck!
