Discussion

Based on your practice, please share your experiences incorporating “family” into your training program (not limited to LEND).

1. What are some of the Innovative practices you have used in your training program(s)?
2. What are some of the key ways these practices were implemented?
3. What are some examples of good outcomes you have seen?
4. What are some of the successes and challenges you have encountered (please include strategies to address barriers).
5. What are the lessons you would want included in the white paper?

Please identify how you are going to use the information from this discussion to modify or enhance your training program.
