This product is provided in partial fulfillment of tasks outlined in the cooperative agreement #2A5MC11068-15-00 with the Maternal and Child Health Bureau (MCHB). The contents do not necessarily reflect the views or policies of MCHB, the Health Resources Services Administration, U.S. Department of Health and Human Services, or the U.S. Government.

Crosswalk of MCHB Training Programs Performance Measures with NIRS Standard Reports

Overview of the crosswalk of MCHB Training Program Performance Measures with NIRS standard reports

Program year 2024/ Fiscal Year 2025 (July 1, 2024 – June 30, 2025)

This document provides a crosswalk of federal reporting requirements for the Maternal and Child Health Bureau (MCHB)'s training Programs (LEAH, LEND, DBP) and AUCD's National Information Reporting System (NIRS). [DGIS Performance Measures](#) are provided directly from HRSA/MCHB's website. Forms inside DGIS were updated in May 2025.

This document aligns the list of assigned forms (Basic, Activity, Outcome, and Training and Workforce) with available NIRS tool(s) and standard reports.

Standard reports may be accessed in NIRS by clicking on the applicable dataset and selecting "Standard Reports" from the navigation menu. Users may then select the relevant standard report outlined in this document, select the reporting year from the year selection (where applicable), and click the blue "Run Report" button. Please note that standard reports are generated from data entered by each Program for the reporting year.

As NIRS mirrors federal requirements outlined in the DGIS Performance Measures, please note that the DGIS forms match the online forms in NIRS. Performance Measures noted as "OPTIONAL" in the crosswalk are also listed as optional in the updated DGIS Performance Measure forms. Forms not listed in the tables below do not apply to LEAH, LEND, or DBP training Programs.

For questions about NIRS, please email NIRS@aucd.org. For questions about DGIS Performance Measures and Program Performance Measures, please contact your MCHB Project Officer.

This product is provided in partial fulfillment of tasks outlined in the cooperative agreement #2A5MC11068-15-00 with the Maternal and Child Health Bureau (MCHB).
