**REGISTRATION
IS FREE!**

STORYTELLING WORKSHOP
Tuesday, Sept. 16

SHARE YOUR STORIES
Wednesday, Sept. 17

FASD Introduction: A foundational session introducing participants to the core concepts of Fetal Alcohol Spectrum Disorders (FASD).

Storytelling Workshop: A hands-on, reflective session focused on the power of sharing stories and using experience to influence systems change.

Living Library: Individuals with living experience will introduce their stories by guiding participants through facilitated conversations and small group discussion.

Partners Day: A series of interactive activities will connect participants with state and national partners, offering a window into cross-sector collaboration and policy engagement in real time.
