

**Website:** <https://cds.coe.hawaii.edu/campu/>

**Contact:** Holly Manaseri (CDS) Principal Investigator [hmanaser@hawaii.edu](mailto:hmanaser@hawaii.edu)

Join CAMP+U, a 10-hour online, self-paced course that aims to increase understanding, knowledge, and skill of course design, instructional delivery and assessment, and inclusive practices to support students for a successful postsecondary experience while fostering a sense of community that meets their needs. Our Professional Learning Community (PLC) will support you in deepening understandings of effective practices presented in the PD. Intended for faculty, staff, and administrators.

### Requirements

- Three 1-hour synchronous facilitated sessions (optional)
- Completion of a five module online, self-paced course
- Surveys and other research tasks

### Benefits

- Develop knowledge and skills to enhance your courses and better support students
- Access to a facilitated, meaningful online community
- Certificate of Completion

**Spring Cohort Runs January 26- February 23, 2026!**

**Register by January 16<sup>th</sup> 2026!**
