

Special thanks to our AUCD Emerging Leaders for their help!

Many of the resources available to AUCD Emerging Leaders were developed by or in close partnership with members of this community. AUCD extends its thanks to all of the Emerging Leaders that willingly shared their valuable time and expertise to ensure that all of these resources support both the goals of the ELC and are aligned with [AUCD's broader Strategic Plan](#).

This work was supported by a cooperative agreement (#UA5MC11068) between AUCD and the Maternal and Child Health Bureau (MCHB) and a contract (#HHSP23320110016YC) with the Administration on Intellectual and Developmental Disabilities (AIDD). The contents of this document do not necessarily reflect the views or policies of MCHB, the Health Resources Services Administration, AIDD, the Administration on Community Living, the U.S. Department of Health and Human Services, or the U.S. Government.
